From the val Office

What a strange Winter we have had so far! We were able to drive our Corvettes until the middle of January — the streets and highways were free of salt and cinders for an unusually long time. But don't get too comfortable — Old Man Winter has a way of delivering some knock out punches and there are still a few months between now and the blooming flowers of Springtime.

With the blooms also comes AACC's *Springfest* (May 6th). As in past years, I have been going around trying to get either door prizes, auction items, or sponsors. I hope all of our members will do their part in working with Marty and Laura during their first year as event chairs. They will surely appreciate everyone's help in making their inaugural event just as successful as those of past years.

Once we get past our first show, AACC still needs someone to take over the family summer picnic. We are all looking forward to another fun-filled Corvette season and, in December, John Kostick volunteered to chair the Holiday Party. But there's plenty to do before then!

Please remember to pray for our men and women serving our country, who make it possible for us to continue to enjoy the freedoms in our great country.

Frank Shuletsky

AACC Meetings @ Blue Monkey
