

2013 Collector's Edition ...continued

(Continued from page 6)

The 427 rolls on 19-inch wheels front with 20-inchers rear. Black cup and chrome ZR1 wheels are options. The car checks in at a lithe 3,355 pounds and can blitz to 60 mph in 3.8 seconds.

The 427 follows in the lineage of special models offered from 1966 to 1969, before displacement expanded to 454 cubic inches.

Meanwhile, the 60th-anniversary edition offers arctic white paint, special badging, a carbon-fiber splitter and rocker panels and a 60th-anniversary gauge cluster and sill plates. There's also an optional stripe package. The 60th-anniversary trim will be available on all 2013-model-year Corvettes, and the convertibles have a blue top.

Think Spring, Think SPRINGFEST!

Although the weather is cold and frightful outside, it's not too soon to start thinking about spring and our upcoming 11th Annual SpringFest Corvette Show at DeSales University on May 6th. Our show flyer is on page 9 of this newsletter. Since it is our first year as Co-chairs for this event, we are counting on the full support of all club members to make this show a success.

We still need items for our tricky tray auction as well as monetary sponsor and trophy donations. If you own your own business or know someone who does, please consider being a sponsor, or asking them to contribute. Sponsorship letters and forms are available at our meetings, or you can contact us directly at the phone numbers on the flyer. The sponsor and trophy donations are required by March 1st and all proceeds go to our various club charities.

In addition, volunteers are needed on the day of the show to assist in set up/teardown, parking, registration, vote tallying, 50/50 tickets, Tricky Tray, etc. Sign-up sheets for these tasks will be available starting at our March 7th meeting.

New at this year's show will be a special guest appearance by Lance Miller, Co-owner of Carlisle Productions, along with his 2012 Carlisle Blue ZR1. Lance will serve as one of our trophy presenters. We will also have AACC T-shirts for the first 100 pre-registered participants as well as a few other surprises at the trophy ceremony.

We are predicting it will be sunny and 75 degrees, so please join in, help out and let's have some fun.

Thank you for your support.

Marty and Laura Hegyi

AACC SpringFest Co-Chairs
